

Database and EndNote Training Resources

Check the following websites for training resources to help you improve your search strategies on PubMed, SciFinder, Web of Science, Journal Citation Reports, Essential Science Indicators, Scopus and SciVal. Also learn how to use EndNote to save, organize, and cite your references.

If you have any additional questions about searching databases or using EndNote, contact x9555 or usarmy.detrick.medcom-wrair.mbx.gorgas-inter-library-loan@mail.mil

PubMed Materials:

- PubMed Help Guide (e-book): <https://www.ncbi.nlm.nih.gov/books/NBK3827/>
- PubMed Tutorial (interactive tutorial): <https://www.nlm.nih.gov/bsd/disted/pubmedtutorial/cover.html>
- Other PubMed Tutorials (Videos, classes, and handouts on how to complete a variety of tasks in PubMed): <https://learn.nlm.nih.gov/rest/training-packets/T0042010P.html>

SciFinder Materials:

- Introduction to SciFinder (interactive tutorial): <http://support.cas.org/etrain/scifinder/overview/story.html>
- SciFinder Training Materials (videos and tutorials): <http://support.cas.org/training/scifinder>

Web of Science Materials:

- Web of Science Core Collection Help Index (online help file): <https://images.webofknowledge.com//WOKRS530JR6/help/WOS/index.html>
- Web of Science Platform: Introduction (webpage with tabbed sections about specific databases and links to other training resources) : <http://clarivate.libguides.com/webofscienceplatform>
- Web of Science Core Collection: Introduction (webpage with tabbed sections about important features available through the Core Collection, like saving and analyzing results): <http://clarivate.libguides.com/woscc/basics>
- Web of Science training videos on YouTube: <https://www.youtube.com/user/WoSTraining>

Journal Citation Reports

- InCites Journal Citation Report Help (online help file): <http://ipscience-help.thomsonreuters.com/incitesLiveJCR/overviewGroup/overviewJCR.html>
- Journal Citation Reports: Learn the Basics (links to print guides, video, and descriptions of important features): <http://clarivate.libguides.com/jcr>

Essential Science Indicators

- InCites ESI Help (online help file): <http://ipscience-help.thomsonreuters.com/incitesLiveESI/ESIGroup/overviewESI.html>
- Essential Science Indicators: Learn the Basics (links to print guides, video, and descriptions of important features): <http://clarivate.libguides.com/esi>

Scopus

- Scopus Access and Use Support Center: <https://service.elsevier.com/app/home/supporthub/scopus/>

EndNote Materials:

- EndNote Online (links to training resources and videos for EndNote online):
http://clarivate.libguides.com/endnote_training/endnote_online
- EndNote X9 training resources for users (including videos, how-to book, reference guides, manuals, and guided tour): http://clarivate.libguides.com/endnote_training/users/enx9
- EndNote X9 training videos on YouTube:
<https://www.youtube.com/playlist?list=PLAEGcPDviwLbfYCzJuO2faRhYyiCT3ZMw>
